Please prayerfully consider how you can help the Sunday School ministry. Parents and volunteers are key to the spiritual development of our children. You will enrich your own life as well as that of a child by helping and sharing your gifts. We will provide training and support. There are many different ways to help. Please check the ways you are able to contribute (some things can even be done at home) and indicate which parent(s) are interested in the space next to the activity:
